

64TH FOUNDATION DAY Cases should be taken to logical conclusion expeditiously: FM to DRI

PRESS TRUST OF INDIA
New Delhi, December 4

FINANCE MINISTER NIRMALA Sitharaman on Saturday urged officials of intelligence wings to take every case to logical conclusion expeditiously, so that it can deter perpetrators of economic crime like smuggling.

Speaking at the 64th DRI Foundation Day, the Finance Minister said logical conclusion is what will keep the heat on people who are promoting these kinds of activities.

The Directorate of Revenue Intelligence (DRI), under the Central Board of Indirect Taxes and Customs (CBIC), is an intelligence and enforcement agency of the Government of India on anti-smuggling matters.

She stressed on capacity building so that the officials are quick to pick up right intelli-

gence inputs and act on time.

"You get a lot of intelligence input, but sometimes and many times it is difficult to identify if it is really actionable, sometimes they're so generic. To act on it becomes difficult...capacity to be built within these institutions to make sure you're able to

see which of these intelligence inputs are so quickly actionable," she said.

Agencies like DRI based on their experience can give ideas on the methods through those illegal acts can be prevented, she said.

"I think attempts at preventing will also have to be undertaken by us while deterrence and detection will always have to be on the high," she said.

She exhorted the DRI to be vigilant with regard to toxic waste being dumped into the country. In emerging economies "because of the way in which we have built over the decades capacity to recycle materials, I'm afraid quite a large attempt and frequent attempt is being made on bringing in toxic waste to our shores and leave them there. So I would think that is an area on which I would like to see DRI more active", she said.

Naidu calls for debate on freebies; says Parliament must sit for 100 days in a year

PRESS TRUST OF INDIA
New Delhi, December 4

VICE-PRESIDENT AND RAJYA Sabha Chairman M Venkaiah Naidu on Saturday called for a wider debate on freebies for harmonising welfare obligations with developmental needs and urged the Public Accounts Committee (PAC) of Parliament to examine this aspect to enable wider discussion.

Underlining that Parliament should meet for a minimum of 100 days and state legislatures for at least 90 days every year, Naidu said that there should be a political consensus on this issue.

Naidu was speaking at an event in the Central Hall of Parliament to mark 100 years of the Public Accounts Committee (PAC) that was also attended by President Ram Nath Kovind, Lok Sabha Speaker Om Birla and the committee chairman and Congress leader of Lok Sabha Adhir Ranjan Chowdhury.

Noting that the PAC examines public expenditure to find

out irregularities, Kovind said the parliamentary committee not only looks at it from the legal perspective but also from the "point of view of the economy, prudence, wisdom and propriety."

"It (PAC) has no other objective but to bring to notice cases of waste, loss, corruption, extravagance, inefficiency. If more paise out of every rupee coming from honest taxpayers are reaching those in need and also for nation-building initiatives, the PAC and its members have played a large role in the process," Kovind said.

Stating that the main responsibility of democratic institutions is to make the government accountable and transparent to the people, Lok Sabha Speaker Birla noted that the parliamentary committees have contributed significantly in making this possible through their functions.

The parliamentary committees, which are like mini-parliaments, are also seen as effective platforms to solve the problems of the people and

fulfillment of their expectations, Birla said.

In his address, Naidu suggested that the PAC examine the utilisation of resources from a socio-economic perspective to check wastages and called for a wider debate on doling out freebies.

"We are all alive to the present scenario of the governments indulging in doling out freebies for obvious reasons. While ensuring the welfare

PAC chairman Chowdhury said it is the function of the committee to ascertain that the money granted by Parliament has been spent by the government "within the scope of the demand".

"Over the decades, the examination of accounts by the PAC accomplishes the aim of enforcing public accountability in the transactions of government business. And in this manner, the committee contributes towards maintaining the standard of efficiency and financial propriety in the running of the administration," the Congress leader said.

Pointing to the scope of wasteful expenditure and misutilisation of scarce resources, Naidu recalled former prime minister Rajiv Gandhi saying about 35 years back that out of every rupee spent, only 16 paise went to the people.

Noting that the audit review is a core function of PAC, Naidu also suggested that it may be re-designated as Public Accounts and Audit Committee (PA and AC).

The cyclonic storm weakened into a deep depression and lay centered over west-central Bay of Bengal, about 180 km east-southeast of Visakhapatnam, Andhra Pradesh, and 330 km south-southwest of Puri, Odisha at 5:30 pm, the Met office said in a statement.

Development projects in Utkhand part of countrywide connectivity 'mahayagya': PM

PRESS TRUST OF INDIA
New Delhi, December 4

PRIME MINISTER NARENDRA Modi on Saturday kick-started the BJP's election campaign in Uttarakhand, inaugurating or laying foundations of projects worth over ₹18,000 crore and asserting a connectivity 'mahayagya' is underway across the country to make up for the loss of 10 years of the previous government.

"The infrastructure projects inaugurated and founded here today are part of this 'mahayagya'. We are doing things at double-triple speed to make up for the lost time," Modi said addressing a rally at the Parade Ground here in Dehradun.

Reiterating what he had said in Kedarnath, the prime minister noted that the projects will help make this decade that of Uttarakhand. He said the reconstruction work done at Kedarnath by his government had brought a record number of over 10 lakh devotees to the Himalayan temple in 2019.

He said the projects whose foundation stones were laid in Uttarakhand on Saturday cover almost all sectors, including a

Delhi-Dehradun economic corridor which will reduce the duration of journey between the two cities to half, the country's largest elevated wildlife corridor, child friendly city project and a new bridge next to Lakshman Jhoola in Rishikesh.

He said the previous governments had done little for the development of Uttarakhand whereas the BJP government at the Centre had spent ₹12,000 crore on the development of the state in the past seven and a half years.
